

Welcome to the Chino Valley Chamber of Commerce member-to-member discount program for 2016-17.

To encourage members to do business with other members, we are providing the member-to-member discount program. Once we have at least 15 businesses enrolled in the program, membership cards will be distributed to Chamber members.

For employers, the program will provide an incentive to employees. If the business is a member of the Chamber, so are all of its employees. The membership cards will encourage these employees to take advantage of member-to-member deals, driving customers to our members.

If you would like to participate, simply fill out the information below. Discounts must be a minimum of 10% or the equivalent. (For example, a free dessert with entrée would qualify, a free small drink with \$100 purchase would not.)

All participants will receive a link to their website with the details of their promotion on the Chamber Member-to-Member business page. Discounts will be valid through the end of 2017 as long as participating business remains a Chamber member in good standing.
